

## CECIL'S TREASURE CHEST

We can go through a lifetime without ever truly knowing an individual so we wanted to share with you the best kept secrets about our loved one, Cyril.

YOU WOULD MOST OFTEN HEAR HIM SAY:

"Don't hang your hat where your hand can't reach it!"

HIS ABSOLUTELY FAVORITE FOOD:

Ox-tails with butter beans and rice

HIS MOST OUTSTANDING PERSONALITY TRAIT:

His sense of humor.

HIS GREATEST ACCOMPLISHMENT IN

OUR EYES:

Attending every single play, meeting and open-school night for all of his 3 children, even though he worked 7 days a week.

AS A YOUNG BOY HE ALWAYS:

Enjoyed nuzzling against the breasts of older women

THE IDEA IS TO:

Insert interesting trivia and facts about the deceased to evoke happy thoughts and memories in attendees of the funeral.
